Item Title/ Subject: Surplus of (4) fire units

Staff Source: Brett Russell

History/Background Information: The fire department would like to surplus the following units:

Truck 5: 1991 International wild-land truck with 1000 gallon tank.

BP101: 2008 Ford F350 V10 wild land truck with 300 gallon tank.

Old Rescue: 1997 Ford F350 this truck was originally loaned to Arapaho and they have given It back to us.

Command unit 6: 2005 Chevy Tahoe originally purchased from OHP retired units. This unit has sat for the last 3 years.

We are requesting permission to take these units over to Entz Equipment auction in November. They have a very good track record of getting good prices for used fire equipment.
