

CITY OF CLINTON

# MEMO

**DATE:** April 2, 2009

**FROM:** Arnold Adams, PW Director

**TO:** Grayson Bottom

**RE:** Building WWTP

I am recommending that the City of Clinton Public Works Authority accept a quote from Nolt Construction to furnish materials and labor to erect a 40x60x15 equipment building. We have \$30,000.00 approved in the 2008-2009 Budget for this project.

Three quotes are as follows:

- 1.) Morton Building (labor & materials) - \$29,500.00
  
- 2.) Buddy Sheet Metal (labor) - \$6,000.00  
with Indaco Metal - \$20,269.00 = \$26,269.00
  
- 3.) Nolt Construction – (labor & materials) \$21,750.00

Sincerely,

Arnold Adams
