Honorable Mayor and City Council
City of Clinton
P.O. Box 1177
Clinton, Oklahoma 73601

Honorable Mayor and City Council:

Construction bids for "Construct Taxiway", AIP Project 3-40-0021-008-2009, at Clinton Regional Airport were received on May 5, 2009. As shown on the enclosed Tabulation of Bids, Circle S Paving Company, Inc. is the low bidder for Base Bid A in the amount of \$207,595.00.

Although Blaco Construction, LLC is the apparent low bidder of Base Bid B and Alternate B-1, Mr. Denver Saxton of Blaco said Blaco will subcontract 100% of the Base Bid B and Alternate B-1 work. This is violation of the specifications (special provision 301.10) that states the "Contractor shall perform with his own organization work amounting to not less than fifty (50) percent of the total contract amount...". Therefore, Blanco's Base Bid B and Alternate B-1 are considered non-responsive.

This results in Circle S Paving Company, Inc. being the low bidder for Base Bid B and Alternate B-1 in the amount of \$19,090.00

We recommend that you award the two contracts to Circle S Paving Company, Inc. in the amounts bid **subject to the receipt of Federal Grant from the Federal Aviation Administration as soon as it is received from the FAA.** These actions will allow for the expeditious return of the Grant Agreement to FAA as well as the earliest starting date of construction.

Thank you for the opportunity of serving you on this important development of your airport.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Terry S. Leard", is written over a white background.

Terry S. Leard, P.E.
Director
Airport Planning & Design
