

Agenda Commentary

Item Title/ Subject: US 183 Waterline Relocation Project

Staff Source: City Manager, Steve Hewitt

Date: August 12, 2011

History/Background Information:

Bids were opened at the August 2nd Council meeting and referred to staff and the Engineer for review.

Item/Subject Summary:

Three (3) bids (M&S, Mathews Trenching, and Evans & Associates).

(see Garver Engineering letter for reference)

Price/Cost: State ODOT 100% reimbursable project.

Recommendation: Staff recommends going with the Engineer recommendation, M&S \$100,000 bid.

Re: U.S. 183 Highway Waterline Relocation

Dear Mr.Hewitt:

Attached is a copy of the Bid Tabulation received at the Bid Opening held on August 2, 2011 for the above referenced project. Three (3) bid proposals were received, publicly opened and read aloud in the City Council Room of City Hall. The following was the results of the bids received for this project.

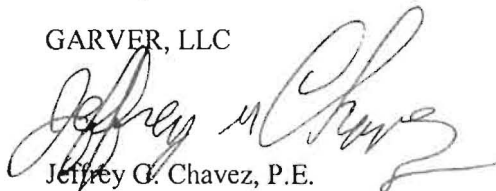

M&S Construction	\$100,000.00
Mathews Trenching Co., Inc.	\$171,855.00
Evans & Associates Utility Services, Inc.	\$177,837.10

M&S Construction is the apparent low bidder for this project. The Engineer's Estimate was \$172,000.00.

We have reviewed M&S Construction bidder qualifications statement and we believe that they are qualified for this project. We recommend that M&S Construction be awarded the contract for the amount of \$100,000.00.

Sincerely,

GARVER, LLC

Jeffrey G. Chavez, P.E.
Project Manager
