

## Agenda Commentary

**Item Title/ Subject:** Authorization to go to purchase capital equipment at SWODA auction

**Staff Source:** City Manager, Steve Hewitt

**Date:** September 20, 2011

**History/Background Information:** SWODA Former Clinton-Sherman Maintenance is closing operations. They are liquidating all the equipment.

**Item/Subject Summary:** The City has budgeted capital items for this fiscal year. This auction has some valuable items that would be worth purchasing if the pricing was affordable. Staff could move up and save the City dollars and fill some needs for this and next year. Especially, trucks, mowers, and grader. Amounts could be over the City Manager's authority, staff asking permission to purchase and attend.

**Price/Cost:** TBA

**Recommendation:** Staff recommends the Council authorizes Staff to attend the auction and purchase items the meet our need and are a good value.
