Item Title/ Subject: Pickup for Water Department

Staff Source: Donald Webb, Public Works Director

History/Background Information: This Pickup will be used to pull goose neck trailers and the Vermeer Vac Digger.

Item/Subject Summary: This is a 2016 Ford Super Duty/ Cab & Chasis, it is a single wheel one ton 4 wheel drive. The pickup will be equipped with a flatbed in the near future.

Price/Cost: \$27,852.32 on the State contract pricing.

Recommendation: The City Recomends that we purchase the pickup from McKinsey Motors for the State contract price.
