RE: Our Client: Mart and Marian Tisdal
Property: 10331 N. 2265 Road, Clinton, Oklahoma

Dear Ryan:

After you discussed the issue of the disrepair of N. 2265 Road with Mart, he asked that I respond on his behalf. Mart and Marian are now the owners of 10331 N. 2265 Road, Clinton, Oklahoma, and the surrounding property. As you know, the road leading to their property is often used by the City of Clinton. For example, the City of Clinton has often traversed the road with heavy equipment for the following reasons: to access the Washita River to fix the river wash, to access the golf course for construction on the same, to collect trash, to maintain or repair city owned water lines and drilling water wells on the golf course. These uses, along with many other, have caused significant damage to the road.

With this letter we request that the City of Clinton resurface the road.

Please contact me at your convenience to discuss the logistics of resurfacing.

Sincerely,

Luke Adams
