## **ARTICLE 6**

### **PROHIBITION OF STRIKES**

**SECTION 6.1** The Union agrees to a prohibition of any kind of job action, i.e., strikes, work slow-downs, work stoppage or mass absenteeism, or being party to such activities. The Union agrees that it will not aid or assist any persons engaging in any job action in any manner. ## ARTICLE 7

### MUTUAL RESPONSIBILITY

**SECTION 7.1** Nothing in this Agreement will be interpreted as diminishing the obligation of both Parties to undertake affirmative action to insure that applicants or employees are treated without regard to race, color, creed, religion, sex, national origin, handicap status, veteran status or political affiliation. Specifically, pursuant to state and federal guidelines, each party is obligated to take positive action in affording equal employment, training, wages, benefits and promotional opportunities to all members, as required by applicable state and federal laws, as amended from time to time.

**SECTION 7.2** In the event that any provision of this Agreement unintentionally conflicts with the City's ability to be in full compliance with applicable state and federal laws and the regulations and guidelines implementing the same, the statute, regulation or guidelines will control over that provision of this Agreement..

## ARTICLE 8

### GRIEVANCE PROCEDURE

**SECTION 8.1** The Union or the City may file a Grievance within twenty (20) calendar days of said occurrence and will be afforded the full protection of this Agreement. Any grievance must state a summary of the relevant facts and identify the provision(s) of this Agreement (including any policy, practice or any other rule which the employee asserts is incorporated into this Agreement) which the grieving party asserts has been violated.

**SECTION 8.2** The Union President, or his authorized representative, or an employee may report an impending Grievance to the Fire Chief in an effort to forestall its occurrence. However, this will not extend the time for the filing of a written grievance.

**SECTION 8.3** Any controversy between the City and the Union or any employee concerning the interpretation, enforcement or application of any provision of this

Agreement, concerning any of the terms or conditions of employment contained in the Agreement will be adjusted in the following manner:

**STEP I** The grievance shall be presented to the Union Grievance Committee within ten (10) calendar days of the challenged event. Within ten (10) calendar days the Union Grievance Committee shall determine, in its sole discretion and judgment, whether or not a grievance exists within the terms and conditions of this Agreement. If the Union Grievance Committee finds a grievance does not exist, no other proceedings shall be authorized and the matter will be deemed closed. If the Union Grievance Committee finds a grievance does exist, the grievance shall be submitted, in writing, to the Fire Chief.

**STEP II** The Fire Chief will submit his answer, in writing, to the employee involved and the Grievance Committee within ten (10) calendar days. If the grievance is not resolved within that time, the Grievance Committee will send the same to the City Manager within ten (10) days of receipt of the response from the Fire Chief.

The City Manager will submit his/her written answer to the original grieving party and to the Grievance Committee Chairman with a copy to the employee within ten (10) calendar days.

**STEP III** If the City and the Union have not settled the Grievance at Step II, the Union will have ten (10) calendar days in which to submit the grievance to Arbitration for adjustment. However, the parties may mutually agree, in writing, within the ten (10) calendar day time period, to submit the matter to mediation before a mediator acceptable to both parties. If both parties agree, in writing, to submit the dispute to mediation and the same is not resolved through the mediation process, then the matter will proceed to arbitration as follows:

1. The Union will request the Federal Mediation and Conciliation Service to provide a list of seven (7) Arbitrators. Within seven (7) calendar days after receipt of the list of Arbitrators, the Parties will alternately strike the name of one (1) Arbitrator from the list of seven (7) Arbitrators, until one (1) name remains, with the grieving party making the 1<sup>st</sup> strike from said list.
2. The Arbitrator will call an arbitration hearing to be held as soon as possible after the date of appointment. The Arbitrator will give at least ten (10) calendar day notice, in writing, to the Union and the City of the date, time and place of the hearing. The hearing will be informal and the rules of evidence prevailing in judicial proceedings will not be binding. Any and all documentary evidence and other data

deemed relevant by the Arbitrator may be received in evidence. The Arbitrator will have the power to administer oaths and to require by subpoena the attendance and testimony of witnesses, the production of books, records, and other evidence relative or pertinent to the issues presented to him/her for determination.

3. The Arbitrator will issue a written opinion containing findings and recommendations with respect to the issues presented as soon as possible but in no event more than sixty (60) days after conclusion of the hearing, including the submission of closing briefs, if applicable. A copy of the opinion will be mailed or otherwise delivered to the Union and the City through their designated representatives.
4. With respect to the interpretation, enforcement or application of the provisions of this Agreement which do not relate to the statutory and Charter authority of the City or superseding state or federal laws, the decision, findings and recommendations of the Arbitrator will be final and binding.
5. The Arbitrator's authority is limited to the interpretation and application of the terms of this Agreement and/or any supplement thereto. The Arbitrator will have no jurisdiction or authority to establish provisions of a new agreement or variation of the present Agreement or to arbitrate away, in whole or in part, any provisions or amendment thereof.
6. The cost of the Arbitrator shall be shared equally between the Union and the City. If a transcript of the proceedings is requested then the parties so requesting shall pay for it.

**SECTION 8.4** All time limits set forth in this Article may be extended by mutual agreement, but if not so extended, they must be strictly observed. If a deadline for a party to act within this procedure falls on a weekend or any other date that City Hall is closed for the day, then the deadline will be automatically extended to the next regular business day of the City.

**SECTION 8.5** It is understood and agreed that when an employee files a grievance, the act of filing such grievance constitutes his authorization to the City to reveal to the participants in the Grievance Procedure any and all information available to the City concerning said employee. Such filing will further constitute a release of the Employer from any and all claimed liability by reason of such disclosure. It is further understood and agreed that the City may file a grievance under this Article.

## ARTICLE 9

### PERSONNEL REDUCTION

**SECTION 9.1** In the case of a personnel reduction, the employee with the least seniority will be laid off first. Seniority in this instance will be determined by continuous service from last date of employment.

**SECTION 9.2** Any employee laid off will be kept on a priority recall list for a period of eighteen (18) months. During this period, no new employee will be hired until any employee laid off is notified, by certified mail, of an offer of reinstatement with a copy provided to the Union President. The employee has fourteen (14) calendar days to notify the City of his intentions. If the employee does not notify the City that he/she intends to return within this fourteen day period, the employee loses his/her priority recall rights. Any employee who elects to return to work after lay off must be able to return within thirty calendar days. An employee returning from lay off will have his/her seniority restored for the purposes of determining eligibility for benefits. In addition, the returning employee will have his/her accrued unused sick leave on the books at the time of the layoff restored up to the maximum of two hundred forty (240) hours.

## ARTICLE 10

### INJURY LEAVE

**SECTION 10.1** An employee injured on the job will be entitled to receive the benefits provided for by 11 O.S. §49-111 along with all rights to which the employee may be entitled under the Oklahoma Workers' Compensation Act. Employees wanting to take four (4) or more consecutive shifts off for vacation are to submit a written request for the time off to the Fire Chief at least two (2) weeks in advance. A maximum of five (5) consecutive shifts of vacation may be scheduled at any one time. Any exception must be approved by the Fire Chief. Requests for time off under this paragraph will not be unreasonably denied. In the event that two (2) or more employees request the same shifts off, seniority will control.

Once a request for vacation leave of four or more consecutive shifts is granted, the scheduled vacation time may not be cancelled unless all other means to address crucial staffing issues have been fully exhausted. This would include having employees stay over, calling back employees, incurring overtime and utilizing volunteers.

Vacation leave must be used in four (4) hour increments or greater. An employee may request to use vacation leave in increments of between four (4) to twenty-four hours at any time by submitting a written request to the Fire Chief or, in his absence, the Shift Commander.
