Item Title/ Subject: Planning and Zoning Board

Staff Source: Lisa Anders, City Clerk

History/Background Information: The City Code created the Planning & Zoning Board and the Board of Adjustments. Both boards consist of five members who serve a three year term. It also requires that two members must serve on both boards.

Item/Subject Summary: Mariela Acosta served on both boards and she has completed her term. She did not wish to continue serving. Currently, Matt Graybill serves on the Board of Adjustments and said he would be willing to serve on the Planning and Zoning Board as well as the Board of Adjustments. This still leaves a vacancy on the Board of Adjustments.
