Re: Clinton Water Supply Project – 16” Raw Water Slipline
Recommendation for Award

Dear Mr. Skiles:

Bids for the Clinton Water Supply Project – 16” Raw Water Slipline project were received by the City of Clinton at 2:00 pm on August 10, 2016. Four bids were received, opened, and read aloud. The General Contractors and corresponding bid prices are summarized below:

General Contractor	Submitted Bid Price
IPR South Central	\$499,502.00
Lonehickory Cattle LLC	\$355,000.00
Albuquerque Underground, Inc.	\$740,628.00
Igo Inc.	\$307,400.00
Marsau Enterprises, Inc.	\$621,000.00

The attached Bid Tabulation form shows the actual bid amounts including all unit pricing. The bids collected from all bidders were mathematically correct. We have determined that Igo Inc. is the low bidder for this project. Igo Inc. bid documents appear complete.

Burns & McDonnell is aware the Contractor has successfully performed work for the City and their qualifications and experience is such that this contractor has the adequate experience to successfully complete the work. While Burns & McDonnell has not had the opportunity to review the bid bond and other related documentation we do not have concerns with Igo Inc. entering into contract with the City.

Burns & McDonnell recommends that the City of Clinton award the Clinton Water Supply Project – 16” Raw Water Slipline project to Igo Inc. in the amount of their submitted bid price of \$307,400.00.

Attached, please find the City’s official Notice of Award filled out for this project. This document is ready for signature and execution by City Council.

If you have any questions please call me anytime at (303) 362-2311.

NOTICE OF AWARD

To: Igo Inc.
2212 Ping Drive
Weatherford, OK 73096

DATE: August 16, 2016

Project Name: Clinton Water Supply Project – 16-Inch Raw Water Slipline
Owner: City of Clinton

You are notified that your Bid, dated August 10, 2016 for the above Contract has been considered. You are the apparent successful Bidder and are being awarded the Contract for the above stated Project and which is described as follows: removal and replacement of approximately 500 linear feet of 16-inch waterlines with 12-inch fused HDPE by open-cut, approximately 16,500 linear feet of slip lining existing 16-inch cast iron waterline with 12-inch fused HDPE, miscellaneous connections, installation of new valves and vaults, lateral connections, and all incidental items required for a completely functioning system. The City of Clinton has pre-purchased the HDPE pipe. Contractor is not responsible for the purchase of the pipe. Contractor is responsible for the delivery of pipe from the City's yard to the site. This project also includes site grading, erosion control and site restoration. Work may include the installation of 12-inch HDPE pipe via horizontal direction drilling should field conditions dictate. No more than 1,000 linear feet of directionally drilled pipe is anticipated. The project is located within the City of Clinton and Custer County, Oklahoma.

The Contract Price of your Contract is
\$307,400.00

Three copies of the proposed Contract Documents (except Drawings) accompany this Notice of Award. You must comply with the following conditions precedent within 10 days of the date of this Notice of Award that is by August 26, 2016.

1. Deliver to the Owner four fully executed counterparts of the Contract Documents. Each of the counterparts must bear your signature on the signature page.
2. Deliver with the executed Agreement the Contract security (Bonds) as specified in the Instructions to Bidders and General Conditions as applicable.

Failure to comply with these conditions within the time specified will entitle Owner to consider your Bid in default, to annul this Notice of Award, and to declare your Bid security forfeited.

Within 30 days after you comply with the above conditions, Owner will return to you one fully signed counterparts of the Agreement with the Contract Documents attached. You are required to return an acknowledgement copy of this Notice of Award to the Owner.

Dated this _____ day of _____, 20____.
