BID PROPOSAL

October 11, 2016

PROJECT: Frisco Conference Center
Clinton, OK

OPERABLE PARTITIONS

We offer to remove the existing accordion track and doors and furnish and install the following;

Four Hufcor 632 Series paired panel operable partitions

The Hufcor partition system include;

- Heavy duty 3" thick steel framed panels
- Panels built to specifications for 41 STC without steel face sheets
- Mechanically activated bottom seals on all panels including final closure panel
- Panels to be finished with one of Hufcor's full line of vinyl wall coverings
- Exposed trim color to be grey, brown or lamb's wool
- Final closure to be by mechanically activated expanding closure system
- Anodized aluminum ceiling track with built in ceiling saver

WE QUOTE THE SUM OF.....excluding tax.....\$ 53,785.00

Notes:

- Tax will be added if an exemption certificate is not received
- Pricing includes disposal of existing track and accordion doors and repairing any ceiling tiles damaged during demolition or installation of new work.

This Bid Proposal is an offer which shall remain outstanding for ___ days (5if blank). Unless withdrawn before we receive your written acceptance

Subject: Accordion Door Replacement @ Frisco Conference Center

Julie & Mark,

After visiting your facility and getting in touch with Trey Arney regarding the ceiling work, please see below for a turn-key cost for Best Companies to remove the existing track & accordion doors and replace with new Hufcor Operable Partition's.

Here is what I priced:

- (4) Hufcor Series 632, Trimmed Panels
- 41 STC Sound Rating
- Fixed Top Sweeps
- Standard Manufacture's Vinyl Covers
- Removal & Disposal of Existing Tracks & Accordion Doors
- Installation of New Tracks & Operable Partitions to Existing Structure
- Installation of Ceiling Grid & Tiles back to New Tracks by Trey Arney Construction
- Total Cost including Materials, Freight, Sales Tax & Installation = \$49,265.00

Standard Lead time for track is 3 weeks.

Current Lead time for panels is 7-8 weeks. We would have to schedule you into our schedule to do the work if approved.

If you have any questions or need further information, please give me a call.

Thank you,

Chris
