Dear Fellow Golf Board Members,

I, Ashley Kelley, am officially resigning from my position on the Golf Advisory Board. I've enjoyed my 8 months as an official board member, and also the years prior when I sat in as CLGA President and Riverside Rumble Chairman. This position has really become a catalyst in helping me move forward, past the recent challenges in my life. I've been associated with Riverside Golf Course for over ten years, and while my association and various roles have been wonderful fruits of my labor, I can't say the same for this past month. Recently, I've seen friends turn against friends, and most importantly, I've felt I've been caught in the cross-hairs. I refuse to have my name drug through the mud by character assassins. I know who I am and I know my character. More importantly my reputation of the last 10+ years at Riverside Golf Course, and what I've accomplished here, speaks for that. My outpouring of love and support for women's golf, youth golf, and couples golf has helped it grow in Clinton, OK. Women's golf has brought many new faces to our town, youth golf has seen an increase in players, and we have the largest couple's tournament in the State of Oklahoma. I leave behind me a legacy of growth and love for golf, and I hope it continues long past my time here. I am going to take my free time and pursue future endeavors. Thank you so much for the opportunity to serve, and for the support you've given me throughout the years.

Sincerely,

Ashley Kelley
