Lisa,

I wanted to let you know that CPSF is again planning to run a 5K race beginning and ending downtown. The race will take place September 30 in conjunction with the Art Show. We will begin setting up downtown around 6:00 AM and will completely done by 9:00 AM. I met with Matthew Blakeburn this morning and worked out some of the details. I will get with the City guys regarding cones for street closings closer to the event date. I will also make sure emergency personnel are aware of of the date/times of the event.

Please let me know if there is anything else you need form em at this time.
