Techforce service request system for ease of requesting service and will keep a record for all service performed to the fleet over the life of the lease. The ELITE Series Golf Cars will require no battery maintenance. This proposal is being presented to take advantage of 2017 pricing and 2017 Trade Pricing. Going into 2018 will add another year to the current fleet decreasing the trade in value. The golf car market typically will see a 3% increase in price year over year.

E-Z-GO at its discretion reserves the right to offer an early roll option. In order to receive an early roll option, Riverside GC – City of Clinton, Oklahoma must enter into a new lease purchase agreement with E-Z-GO and the existing account must be current and credit approved. Prices quoted are those in effect at the time the quote is made and are guaranteed subject to acceptance within 45 days. All lease cars and trades must be in running condition and a fleet inspection will be done prior to pick up. All electric cars must have a working charger. All pricing and trade values are contingent upon management approval. Applicable state taxes, local taxes and insurance are not included. Payment Schedule(s) does not include any finance, documentation or initiation fees that may be required with payment.
