**Subject:** Agenda items for the November 21st 2017 City Council meeting

Lisa,

Would you please add two items for discussion to the agenda for the November 21, 2017 City Council Meeting.

The property located at 416 S. 17<sup>th</sup> owned by Martin Guzman-Avila contacted my office in regards to repairing/remodeling the house located on this property. He has come up with a reasonable plan of action and time line for the project. He will be asking the City Council for permission to work on the house since it has been condemned.

The second property at 516 S. 12<sup>th</sup> owned by Gilbert Hernandez has contacted my office for an extension on time to allow him to finish the demolition of the house. I was to give an update on the condition to the Council that night before the City would be able to make entry on the property.
