RE: Highway 40 Water Line Relocation
Bid Award Recommendation

Dear Mr. Skiles,

On February 26, 2018 four (4) bids were received by the City for the Highway 40 Water Line Relocation project. The low bid was received from Lonehickory Cattle LLC in the Bid Amount of \$64,288.00 for the project.

During SKW's review of the four bids we found two errors in the tabulation for the third highest bid of Miller Inc. dba J&C Construction. Their Item No. 2 bid price was \$0.50 too low and their Item No. 4 unit price did not match the bid price of \$5,500.00. We have corrected these items in the attached bid tabulation. As a result, their total adjusted bid price is now \$131,494.50. This does not change the rankings of the four bidders.

SKW is not familiar with the low bidder; however, in our conversation yesterday, you indicated that the City was familiar with the low bidder and that they were acceptable to the City.

Based upon our review of the bid submittals and the corrected bid tabulation, SKW recommends the project be awarded to Lonehickory Cattle LLC in the Bid Amount of \$64,288.00, upon concurrence of award from your City Council.

Sincerely,
SHAFER, KLINE & WARREN, INC.

Philip F. Burns, P.E.
Managing Director
Water Resources Department
