PETITION FOR THE BETTERMENT OF KIDS

It all starts with us. Let's help to build a place for kids and teens to refuse drugs for recreational events. Let us better our environment and community and fund this so we can build a better future for our children, to make better choices, and to build their courage and responsibilities as they grow. Help me build a place or a recreation center for our young minds and next generation. Let us give our children a place where kids and teens can work together with their talents and love as in a big brother or big sister project. OUR CHILDREN NEED A PLACE SUCH AS THIS. Let's MAKE THIS TOWN GREAT AGAIN.... Any ideas? Please do not hesitate to write your ideas down. Thank you for those who sign.
