Hi Lisa,

The timing company for the MAD for Life 5K is requiring us to start the 1 mile prior to the 5K so we will need to have the streets blocked 30 earlier than I previously requested. It should be from 7:00 - 9:30 instead of 7:30 - 9:30.

Thank you,

Gwen Rutz

I spoke with Erin. She gave me a go-ahead for the race. It is the M.A.D. for Life 5K & 1 Mile Fun Run/Walk.

I'm requesting the streets to be blocked on Saturday, April 13th from 7:30-9:30. Race time is 8:00 a.m. This will be sanctioned by the USATF and officially timed on the certified course you provided.
