

Agenda Commentary

Item Title/ Subject: Discuss with local experts on COVID-19 status

Staff Source: Gene McCullough, Acting City Manager

Date: September 1, 2020

History/Background Information: The community is experiencing continued elevated infection numbers. The public school system has had to adjust schedules to keep everyone safe.

Subject Summary: A representative from the Clinton Public School administration will address the Council with updates on its status, as well as a representative from the medical community, Dr. Robert Blakeburn, to give the Council facts to consider.

Recommendation: None

Price/Cost: Unknown
