**Re:** 205 S. 3<sup>rd</sup>

---

The property located at 205 S. 3<sup>rd</sup> is owned by Ella Mae Terrell. On April 13, 2021 the house had a fire in the attic, that cause the roof to collapse. By my understanding the owner on record is deceased, the occupant at the time of the fire was a family member which did not have insurance at the time of the fire. Since the fire this property has been abandoned and left unsecured.

A handwritten signature in black ink, appearing to read "Toby Anders". The signature is fluid and cursive.
