Item Title/ Subject: Request Authorization to Purchase Garbage Vehicle.

Staff Source: Gene McCullough, Public Works Director

Date: October 14, 2021

History/Background Information: The Solid Waste Department has budgeted \$150,000 to purchase new cabs & chassis to place existing packer bodies on. Finding those items have been fruitless, with estimates of 1-2 years before availability. Solid Waste Supervisor Donnie Phipps has worked with our suppliers and found a low usage used vehicle that has been used as demo that we are requesting authorization to purchase.

Recommendation: Purchase the demo vehicle.

Price/Cost: \$85,000.00
