**Subject:** 1733 Walton Rd.

**History/Background Information:** The property located at 1733 Walton Rd. was originally brought in front of the City Council on June 22, 2021, to be considered for condemnation. Since that time the owners of the property has made improvements such as mowing, cleaning and removal of debris that was on the property. At this time the house is secured and does not meet the key items that it is required per Oklahoma State Statute 11-22-112 for a dilapidated structure. I will continue to monitor the property and if any time in the future that the house does become dilapidated then it will be abated and addressed at that time.
