Item Title/ Subject: Purchase New Towable 35' Boom Lift

Staff Source: Gene McCullough, Public Works Director

Date: August 15th 2022

History/Background Information: The City has budgeted \$100,000 planning to purchase a new "bucket truck". Our existing trucks are at least 20 years old. The bucket is used frequently for maintaining traffic lights, banners, Christmas decorations, and other tasks in the City that are at height.

In looking for pricing and availability, Craig Tucker, Streets Supervisor, has found that a towable boom lift is a more economical purchase. After recently renting one to replace traffic signal light heads he was also able to verify its functionality for the Street Department tasks.

Craig has acquired 3 quotes per our purchasing policy and has found the lowest quote also has a unit available for delivery.

Recommendation: Approve purchase of JLG T350 Towable Lift.

Price/Cost: \$31,900.00

PROPOSAL

Quote Ref: 72258

Date: 8/15/22

In Stock for online orders

Freight cost not included in price

Ships Truck or Local Pickup

Close X

This item is shipped via "truck freight" (common carrier or flat-bed, not FedEx). On average, shipping can cost \$3 per loaded mile. Call 833-860-7137 for an exact freight quote, which is extra. The truck must be able to have road and turn around access at the place of delivery. The product will require special equipment for offloading (forklifts, telehandlers, etc.). A signature will be required at the time of delivery.

DESCRIPTION

JLG 35' Tow-Pro® Boom Lift Towable

The Tow-Pro® series exclusive line of towable boom lifts from JLG lets you tackle the same jobs as other JLG electric or gas-powered boom lifts, but with an easier option for transportation. You have the choice of a 24 V DC electric or 9 HP gas-powered engine. And with the standard combination hitch, industry-leading 65 mph towing speed and hydraulic auto-leveling outriggers, you can have this extremely portable lift brought to the job site and working in no time. Whether you need it for tree trimming, decorating, construction, exterior painting or maintenance tasks, a tow-pro is great for your everyday needs.

[California Proposition 65 Warning.](#)

FEATURES

- Gasoline engine or 24 V DC electric power
- Standard air and water lines to platform
