

## **Agenda Commentary**

**Item Title/ Subject:** Consider approval of repairs to water line at RO Plant.

**Staff Source:** Gene McCullough, Public Works Director

**Date:** March 3, 2023

---

**History/Background Information:**

The water line feeding into the distribution system from the RO plant developed a leak in a portion of the pipe under the highway. Staff has exhausted our inhouse ability to repair leak due to the depth of the pipe, and we have requested quotes for repairs by qualified contractors.

**Recommendation:** Authorize City Manager to proceed with repairs.

**Price/Cost:** TBD
