RE: Clinton Water Line Repair

*Accepted
3/17/23
RS*

Estimate #1 for water line repair:

If the water line is separated and not damaged, we should be able to get it pushed back together. We will then tie the 90 back to the casing with 3/4" all thread, pour a new thrust block and replace end sill if needed. Estimate #1 includes mobilization, material, labor, & equipment.

TOTAL ESTIMATE: \$11,422.81

Estimate #2 for water line:

Remove and replace any damaged pipe inside the bore. Reinstall pipe with bell restraints, tie back the 90 and pour new thrust block. Estimate # 2 includes mobilization, material, labor, & equipment.

TOTAL ESTIMATE: \$32,086.18

Rock Clause: Hit rock equipment goes on by the hour, under dry and normal weather conditions.

Thank you for letting Grade Work Construction, LLC. In Hennessey, OK. Bid your job. All work will be done under the terms and conditions contained in this agreement.

If you have any further questions, please contact me.

Sincerely,

Kris Goff
