Re: 2023 Clinton, OK Arts & Craft Festival Street Closure Request

To whom it may concern,

We are excited to announce the Second Annual Clinton, OK Arts & Crafts Festival which will be held on Saturday, September 23, 2023 from 10:00 am to 4:30 pm.

Included in this year's festival will be an art show, storytelling, talent contest, fall backdrops for photo opportunities, face painting, food trucks, a biergarten, plus live music and entertainment!

The location for our event will be in downtown Clinton, therefore we are formally requesting a street closure, as we did for last year's event. The area that we are requesting to be closed for the event will be Frisco from 4th Street to 6th Street and 5th Street from the alley between Gary and Frisco to the alley between Frisco and Avant. I have included a map in the attachment to this request for your review.

Please let us know if our request for the street closure has been approved at the email provided below. Thank you, and we look forward to seeing you all at the festival.

Respectfully,
Donelle Ratheal Wollmann
