Re: slide tower blast and paint

Dear Mr. Johnston,

This proposal is offered to accomplish the following items of work for the City of Clinton outdoor slide tower, coating rehabilitation work, at the swimming facility. Items of work include the following:

1. Abrasive blast areas where atmospheric corrosion is present on waterslide supports and staircase supports.
2. Application of full coat of High Build Epoxy Primer with 2-coats of H. S. white polyurethane finish coats.
3. All adjoining equipment will be protected during coating process.
4. Main support will be abrasive blasted to near white metal. (mud cracking was present due to incompatible coating layers.

This proposal is for the sum of Thirty-Eight Thousand, Six Hundred and Sixty-Nine Dollars (\$38,669.00) and is valid for thirty days. ✓

This proposal is valid for thirty days. If this proposal meets with your approval, please sign one copy indicating acceptance and return it to our office. Please call if you have any questions.

Sincerely,

Donald Paddock
