Clinton Classic Run – June 1, 2024

#1 - Type of Organization –

The Clinton Classic Run was planned as an annual event for our city. It is designed to take place on the first Saturday of every June and will be included in the upcoming **Route 66 Celebration**. The run will be a certified/sanctioned event, making it attractive to runners statewide.

The race will include the following events:

- 5K and 10K Run
- Fun Walk

The Clinton Classic Run has previously brought runners from across the state with the hopes of having runners spend at least one night in Clinton. Last year, we had numerous runners from across the state. Registration for 5K/10K and Fun Run racing events will be on the state website. We have a website and social media presence.

Last year's run was a success. Two hundred runners registered for the 2023 race. We are working closely with the city to provide funds for upcoming improvements to McClain Rogers. We are excited to announce that proceeds from all three races will provide the funds needed to add a new piece of equipment to the existing playground at McClain Rogers Park. We presently have accumulated \$34,000.00 to help pay for the new feature. We are currently working with the playground architect and hope to have more details. These plans will be shared with the council when available.

#2 - Full Description of Proposed Fund Usage:

The Clinton Classic is requesting funds to help offset fixed costs. The 2024 budget is being developed. We have set costs that are required for this event to be a success. In addition, we will be seeking sponsors for the event (please see attached letter).

Known startup costs:

\$400.00 – Certification

\$2000.00 – Timing Equipment for the race – includes bibs

\$600.00 – Liability Ins

\$2500.00– Race T-Shirts, hats, & medals

\$2500.00 - Publicity

Total - \$8000.00

These costs are required to make this event a reality. We are requesting funds to help ensure our project can be a success. This grant would help ensure success in June and future years.

#3- Economic Impact

The goal is to continue making Clinton an even better place to live by bringing the community together. This event is designed to encourage local participants and runners within the state and beyond. Last year's race included runners. The event continues to grow and is gaining
