

RESOLUTION No. 981

WHEREAS, the **City of Clinton City Council** has accepted American Rescue Plan Act Recovery funds from the federal government on behalf of the citizens of Clinton; and

WHEREAS, the City of Clinton will receive three payments of funding through the American Rescue Plan Act (ARPA) under the State & Local Fiscal Recovery Funds (SLFRF) program totaling approximately \$ 1,594,615.95; and

WHEREAS, the SLFRF final rule delivers broader flexibility and greater simplicity in the program, offering a standard allowance for revenue loss of \$10 million, allowing recipients to select between a standard amount of revenue loss or complete a full revenue loss calculation. Recipients that select the standard allowance may use that amount for government services, with streamlined reporting requirements; and

WHEREAS, the City of Clinton will track all expenditures, including ARPA SLFRF funded expenses through the City of Clinton’s Finance Department accounting system for the purpose of accurate accounting and annual audit verification; and

WHEREAS, this funded action has been determined necessary and needed to demonstrate ongoing support for the City of Clinton’s efforts with the methods of funding not reasonably foreseen at the time of the adoption of the budget; and

NOW THEREFORE, BE IT FURTHER RESOLVED, that the City of Clinton City Council does hereby declare its intention to claim the standard allowance of \$ 1,594,615.95 of American Rescue Plan Act Recovery funds as lost revenue to use as the provision of general government services.
