This Agreement may be amended by mutual agreement of the parties, which amendment must be reduced to writing, executed by both parties, and attached hereto. This Agreement is the first Collective Bargaining Agreement entered into between the parties.

- b. Provide for quality law enforcement and police services throughout the City's boundaries on an uninterrupted basis for the benefits of the citizens of Clinton; and
- c. Assist in the amicable adjustment of labor disputes.

ARTICLE 2

RECOGNITION

2.1 The City recognizes the Lodge as the exclusive bargaining agent for all permanent, full time, commissioned officers employed by the Clinton Police Department except:

- a. The Chief of Police;
- b. Designated Administrative Assistant;
- c. Probationary Employees;
- d. Dispatchers;
- e. Other civilian personnel.

2.2 An employee who, at the time of initial employment, is CLEET certified will be considered probationary employees for a period of twelve (12) months from the date of employment. Employees who, at the time of initial employment, are not CLEET certified will be considered probationary employees for a period of twelve (12) months after becoming certified. To properly evaluate a new employee, an officer must have a minimum of eleven (11) months of active service before being released from probationary status. If the new officer does not have eleven months of active service, his/her probation will be extended until the officer has eleven months of active service. Probationary police officers will be paid and receive benefits in accordance with Articles 9, 10, 13, 14, 17, and 18 but will not be covered by any other provisions of this Agreement including, but not limited to, Article 8, grievance procedure.

ARTICLE 3

AUTHORITY AND TERM

3.1 The City and the Lodge have, by these presents, reduced to writing the Agreement entered into by the City and the Lodge through the collective bargaining process as that term is defined in O.S. Title 11, 51-101 *et. seq.*

3.2 This Agreement will become effective upon execution by both parties and then will remain in full force and effect until midnight (12:00 p.m.) on July 1, 2025.

3.3 Whenever wages, rates of pay, or any other matters requiring appropriation of monies by the City are included as matters of collective bargaining, it will be the obligation of the Bargaining Agent to serve written notice of a request for collective bargaining on the City no later than February 15th for the upcoming fiscal year.

3.4 The term of this Agreement will not exceed one (1) year.

3.5 It shall be the obligation of the City and the Lodge to arrange to meet at a reasonable time and confer in good faith within ten (10) days after receipt of written notice requesting a meeting for collective bargaining as required by the Fire and Police Arbitration Act.

3.6 In the event the City and Lodge are unable, within thirty (30) days from and including the date of the first meeting, and after at least two negotiating sessions have been held, to reach an agreement on a contract or any modifications thereof, any and all unresolved issues may be submitted to arbitration upon request of either party.

3.7 Any and all-time limits found in this Agreement may be mutually waived in writing and signed by both parties.

ARTICLE 4

PROHIBITION OF STRIKES

4.1 The Lodge and the City are well aware of the public policy of the State of Oklahoma and the necessity that there will be no strikes or other action which would tend to disrupt those services traditional to the City.

4.2 Neither the Lodge, nor any of its officers, agents, or employees, nor any of the employees for which it bargains, will, in any manner, coerce, intimidate, instigate, induce, sanction, suggest, conspire with, promote, support, engage in, condone, or encourage any member of the bargaining unit to participate in any strike, work stoppage, or slowdown. The

Lodge will neither aid nor assist any person or party engaging in any such conduct, nor will the Lodge provide funds, financial and other assistance to support, encourage, or direct such conduct or for the payment of strike, unemployment, or other benefits to those persons or parties participating in such prohibited conduct and activities; provided, however, that the Lodge may provide legal representation for itself or persons accused of such prohibited conduct and activities.

4.3 Upon notification, confirmed in writing, by the City to the Lodge, that certain of its members are engaging in prohibited activities or a strike, the Lodge will immediately, in writing, order such members to cease such prohibited activities and/or to return to work at once and will provide the City with a copy of such order and responsible officials of the Lodge will publicly order its members to cease engaging in such prohibited activities and to return to work. Such notification by the Lodge will not constitute an admission by it that a strike is in progress or has taken place or that a particular member is, or has engaged in, prohibited activities or a strike. The notification will be made solely on the representative of the City. In the event that a strike occurs, the Lodge agrees to take all reasonable, effective, and affirmative action to ensure the members-return to work as promptly as possible.

4.4 The Lodge will not be in breach of this Agreement where the acts or actions herein before enumerated are not caused or authorized by the Lodge unless condoned by the Lodge either expressly or by its failure to comply with the provisions of this section. It is the understanding of the parties hereto that a strike, work stoppage, or work slowdown constitutes a serious breach of this Agreement and will in and of itself constitute grounds for discharge or any other disciplinary action deemed appropriate for any member who engages in such activities.

ARTICLE 5

MUTUAL RESPONSIBILITY TO ASSURE EQUALITY OF TREATMENT

5.1 Neither the City nor the Lodge will discriminate against any applicant for employment or any employee because of membership or non-membership in any church, society, fraternity, or labor union, or on the basis of race, creed, color, national origin, gender, sex, sexual orientation, age veteran status, gender identification or affiliation or handicap status, except for the standard minimum employment ages and bona fide occupational qualifications. It is expected that all Employees will follow this same policy in their relationships with fellow employees.

5.2 No applicant for employment or employee will be required, as a condition of employment, to become a member of the Lodge.

ARTICLE 8

GRIEVANCE PROCEDURE

8.1 A grievance is a controversy or dispute between the Lodge and the City involving the interpretation, enforcement, or application of a specific provision of this Agreement.

8.2 It is the intent of the parties to this Agreement to prevent grievances and to settle any which may occur as fairly and as promptly as practical. Therefore, it is agreed that there should be time limits between the initiation of a grievance and the occurrence giving rise to the grievance and between steps of the grievance procedure and the time in which an answer must be given in each step of the process.

8.3 The Employee, along with the Lodge President or his authorized representative, may report an impending grievance to the Police Chief or his designated representative in an effort to forestall its occurrence. The failure of the Police Chief or his designated representative to act will not be deemed an event constituting a grievance, nor will it be interpreted to waive any rights of any party to this Agreement. The Employee or the Lodge may, in either event, proceed to file a grievance. It is specifically understood and agreed that the election to file a grievance by or on behalf of an employee under this Article waives the right of the employee to pursue any other remedy under the City Charter, the city ordinances, or the personnel policies of the City.

8.4 An Employee or Lodge grievance will be processed and adjusted in the following manner:

a. Within ten (10) business days of any grievable act, a grievance must be submitted, in writing, by the Employee and the Lodge President or his designated representative to the Police Chief or his designated representative. The Chief or his designee will submit an answer in writing within ten (10) business days to the Employee involved and to the Lodge President or his designee.

b. If the grievance is not settled by the provisions of Section 8.4(a), it will be submitted in writing to the Lodge Grievance Committee. Within ten (10) business days from the date of the response of the Chief of Police, the Lodge Grievance Committee will determine, in its sole discretion and judgment, whether or not a grievance exists.

c. If the Lodge Grievance Committee finds a grievance does exist, the Committee will submit the grievance in writing, to the City Manager for adjustment within ten (10) business days from the date of the response of the Chief of Police, with a copy to the Employee, if applicable.

d. If the Lodge Grievance Committee finds a grievance does not exist, the Grievance Committee will notify the Chief of Police and the Employee involved of its decision within ten (10) business days of receipt of the Chief's written response and the Lodge's involvement in the grievance will cease.

e. Within five (5) business days of receipt of notice from the Grievance Committee of its determination that a grievance does not exist, the Employee, being responsible solely for his/her

expense, and only in cases of disciplinary action of a suspension without pay or above against the employee may request, in writing, that the City Manager review the situation. The request must set forth in detail the reason(s) why the Employee believes the event leading to the filing of the grievance was incorrect.

f. The City Manager, within ten (10) business days of receipt of a request for review from an individual employee, will submit his response, in writing, to the employee, with a copy to the Chief of Police and the Lodge.

g. In the event of a grievance submitted by the Lodge, the City Manager will submit an answer in writing to the Police Chief, the Employee(s) involved, and the Lodge Grievance Committee within ten (10) business days.

h. If the City Manager and Lodge Grievance Committee have not settled the grievance within that time, the Lodge may elect to submit the matter to arbitration under the procedures set forth below.

1. Within ten (10) business days after response by the City Manager, Lodge will request a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service;

2. Within seven (7) calendar days from the receipt of such panel, a representative of the Lodge and the City will meet and alternately strike names until one (1) arbitrator remains who will be selected as the impartial arbitrator. The party requesting arbitration will strike the first name.

3. Upon notification to the Federal Mediation and Conciliation Service of the selection of the arbitrator and the arbitrator is contacted, the date for the Arbitration Hearing will be set as soon as practical from the date the arbitrator is notified of his selection whenever possible.

4. Within sixty (60) days after the conclusion of the hearing, the arbitrator will issue a written opinion containing findings and recommendations with respect to the issues presented. A copy of the opinion will be mailed or delivered to the Lodge and the City. The date may be extended by mutual agreement of the parties.

5. With respect to the interpretation, enforcement, or application of the provisions of this Agreement, the decisions, findings, and recommendations of the arbitrator will be final and binding upon the parties to this Agreement.

6. The arbitrator's authority shall be limited to the interpretation and application of the terms of this Agreement and/or any supplement thereto. The arbitrator will have no jurisdiction to establish provisions of a new Agreement or variation of the present Agreement or to arbitrate away, in whole or in part, any provisions or amendments thereof. This will not preclude individual wage grievances.

7. The cost of the impartial arbitrator will be shared between the Lodge and City. If a transcript of the proceedings is requested, then the cost will be shared between the Lodge and

the City.

8. All time limits set forth in this Article may be extended by mutual agreement only in writing, but if not so extended, they must be strictly observed. If a party fails to pursue any grievance within the time limits provided, he/she will have no further right to continue the grievance and the same shall be considered waived. Should the City fail to respond within the specified time limits, the grievance will proceed to the next step.

9. The decision of the Lodge to file a grievance on behalf of an individual employee constitutes a waiver of the employee's right to seek a hearing before the Personnel Review Board as provided in Article 8 of the City Charter.

NOTE: "Business day" is defined as Monday through Friday, excluding holidays or any day when City Hall is not open for business.

ARTICLE 9

HOLIDAYS

9.1 All employees covered by this agreement will be entitled to the same holidays approved by the City Council for Fiscal Year 2024-2025 as set forth in Section 400 of the current City of Clinton Employee Handbook. Should an employee be required to work on an authorized holiday, as directed by the Police Chief, he/she will receive compensation for all time actually worked plus one shift equivalent in holiday pay at his/her base rate of pay or one additional shift off at the election of the employee.

9.2 If the holiday occurs during the time an employee is either on vacation leave or days off, he/she will be compensated for the holiday at his/her base rate of pay.

ARTICLE 10

SICK LEAVE

The City and the Lodge realize that any abuse of sick leave would have a negative impact on the operations of the Department and will work jointly to ensure that the privilege of sick leave is not abused.

10.1 Sick leave will accrue at the rate of 3.08 hours bi-weekly as provided in the Employee Handbook up to a maximum of 480 hours. Subject to the provisions of this Agreement, sick leave accrual will begin upon employment.

10.2 Sick leave may only be used for the employee's own personal illness or injury or that of a member of the employee's immediate family (except for those matters set forth in Section 10.3, below), which is defined as: spouse, children, mother, father, sister, brother, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents, grandchildren, aunts, uncles, nieces, nephews, persons who raised (parented) an employee, or a member of the family residing at the employee's residence or for an employee's approved scheduled visits with a health care provider or as authorized by the Family and Medical Leave Act.

10.3 Any employee having over two hundred forty (240) hours of accrued sick leave may donate up to forty (80) hours of his/her accrued sick leave to any other employee of the City when that receiving employee has completely exhausted his/her accrued sick leave.

10.4 In the case of absences for three (3) or more consecutive workdays, a physician report and release for full duty must be received.

10.5 Excessive sick leave usage may be cause for an employee to be placed on "physical report status." An employee on physical report status will be required to provide a statement from a health care provider for each absence for the next six (6) months. Excessive sick leave use as used in this subsection means four or more sick leave shifts in any three-month period where the employee does not provide a statement from a health care provider to support the use of sick leave.

10.6 An employee who uses sick leave the day before or the day after a vacation day or a scheduled holiday leave may be required to provide a written statement from a health care provider establishing the need for the absence if the employee is suspected of abusing sick leave. Failure to provide a requested statement from a health care provider will result in the leave being charged as leave without pay. This provision does not apply to an employee who is already on sick leave status.

10.7 The use of sick leave for purposes other than those authorized above will be subject to disciplinary action by the Chief of Police.

ARTICLE 11

HOURS OF WORK

11.1 Members of the Patrol Division will normally be scheduled to work 12-hour shifts. The standard work week for the Patrol Division employees shall be three (3) consecutive days of twelve (12) hour workdays with four (4) days off for one week and then four (4) consecutive days of twelve (12) hour workdays with three (3) days off. The Chief of Police

retains the right to modify this schedule if manpower drops below the current level of CLEET certified patrol officers who have completed field training. If manpower drops below the current level of CLEET certified officers who have completed field training, and a modification to this schedule becomes temporarily necessary, the Chief of Police may make the necessary changes. Before doing so, he will consult in good faith with the FOP. Any change will be reevaluated at least quarterly to determine if manpower levels allow for a return to the normal patrol schedule.

11.2 The standard work week for non-uniformed employees shall be five (5) continuous days of eight (8) hour workdays with two (2) days off or four (4) continuous days of ten (10) hour workdays with three (3) days off. Shift choice shall be that of the officer and approved by the Chief of Police or his designee. Every effort should be made to grant the shift request of each officer.

11.3 Time worked will include all actual hours worked for the purpose of determining entitlement to overtime compensation under Article 12 of this Agreement.

11.4 On a temporary basis, and upon written notice to the impacted officer(s) stating the necessity of such, the Police Chief has the discretion to change the time shifts begin and end for one or more uniformed officers, as long as they remain twelve (12) hours in length and subject to the shift bidding process the Police Chief will have the right to determine which officers will work any particular shift.

ARTICLE 12

No employee may accumulate more than one hundred twenty (120) hours of compensatory time off. After an employee has accumulated one hundred twenty (120) hours of compensatory time off, the employee must either: 1) request to take additional overtime paid time at times and one half the base hourly rate; or 2) ask to take time off if the request would not negatively impact scheduling.

12.2 Any employee required to return to duty from their off-duty time shall receive a minimum of two (2) hours of compensation at one and one-half (1 1/2) times the regular hourly rate of pay, or compensation time off at one and one-half (1 1/2) times the regular hourly rate of pay. This does NOT include "hold over" or a change in assignment that is continuous following a

normal shift. Call back time is compensable at the overtime rate regardless of the actual number of hours worked during the work week.

ARTICLE 13
