The Cimarron Strip Wing of the CAF, based in Guymon, Oklahoma has a 1943 Beechcraft C-45 (N40074). The C-45 has been meticulously restored as the aircraft of General Ira Eaker used in England while commanding the Army's 8th Air Forces. We take immense pride in showcasing our C-45 as the great plane that was flown in the defense of our nation. The C-45 "Expeditor" is a showcase aircraft and a vintage favorite that always draws a crowd while in flight or on static display. We will provide one sponsor and or media ride for up to five people in the C-45 as part of our package. The Wing also sells rides to the public in the C-45. It is also an excellent platform for aerial photography at any show. Passengers less than 18 years old must have a CAF Hold Harmless signed by parent or legal guardian. Passengers from 5 to 12 years of age must have parent or legal guardian ride with them. No Person under the age of 5 may fly in CAF aircraft

Show Contract: PROPOSAL

1. 100 gallons of 100LL.
2. Free sponsor rides (for five persons). Additional rides negotiable.
3. C-45 crew car for getting to and from hotel.
4. Three rooms if we stay overnight.
5. \$1000 appearance fee. The fee will be waived if the three full rides are sold by the air show or sponsors.
6. A place for the PX trailer.
