Report from Course Superintendent

Course Superintendent Landon Littke reported on the condition of the golf course. He is continuing to expend considerable time and effort attempting to restore the chemical damaged greens.

Considerable candid discussion ensued regarding the lack of success to date despite considerable effort by the course superintendent. It was very disappointing that so many tournaments were cancelled and revenue lost by course and the golf pro. It is time to consider re-sodding the greens. A proposal from JonesPlan was reviewed but no action was taken as other options are to be obtained.

Report from Golf Professional

Jimmy Laughlin said that he would like to have his contract renewed and stay at Riverside but the present economics of doing so were not favorable for him to do so.
